FRIDAY EVENING, OCT. 28

## LOCAL MATTERS.

## Sun and Tide Table.

Sunrises tomorrow at 6:32 a. m. and sets at 5:44 p. m. High water at 5:11 a. m. and 5:23 p. m.

## Weather Forecasts.

For this section fair tonight and Saturday; colder tonight with heavy frost; breezy westerly winds.

## CHARTERS FORFEITED.

As heretofore stated a large number of corporations which were granted charters within the past several years by the corporation commission, having failed for two successive years to pay the annual registration fees, by operation of the constitution the charters of such corporations are revoked and the corporation commissions are authorized to list such corporations which are not now authorized to transact business in this State. Among these corporations are the following whose offices were nominally in this city: American Fraternity, American International University, American Loading and Unloading Machine, American Locomotive Appliance, Anacostia Brick, Anti-Fraud Ink, Auto Sales and Garage Company, Bank Depositors' Insurance Company of America, Bear (William L.) & Co., Belle Haven Electric Supply, Cameron Laundry, Capital Syndicate, Collapsible Hanger, Columbia Covering, Columbia National Sand Dredging, Columbia Stone Quarries, Convertible Furniture Manufacturing Corporation, Copper Range Southern Railway, Debutene Stock, Doering Paints and Manufacturing Corporation, Easterday (William A.), Incorporated, Federal American Banking Corporation, Heupel, Holloran and Winship, Incorporated, International Auto Sight-Seeing and Transit, Joshua Creek Mining Corporation, Kuhn Formaledehyde Generator, Leon Automatic Fire Escape, Magnolia Irrigating Company, Millon Industrial, Mt. Palmer Coal and Ice, Murray Engineering and Manufacturing, National Benevolent Sanitarium Association, National Vaccine and Formaldehyde, Nowland Patent Safety Appliance, Potomac Contracting, Potomac Supply Corporation, Publicity and Sales, Riley, Limerick & Rolle, Rock Creek Auto and Wagon Works, Solar Chemical, Union Ice, United States Drug (formerly the E. C. Nalle Drug Company), Washington Beef and Provision, Washington Chippas Rubber and Realty, Whitner Marvin, Willis Mountain Sanatorium.

## BASKETBALL.

The Carroll Institute basketball team will play the Lyceum "Speed Boys" at Armory Hall tomorrow night. The Carroll team is no longer, as their standing in all classes of athletics is sufficient to warrant a high regard for their ability to give the local five all the trouble they desire when it comes to playing the game of the ball and baskets. Croghan and Martin, of the Georgetown University, are rated as two of the best men in the field of basketball experts, and their artistic playing is the highlight of all exhibitions in which they participate.

The "Speed Boys" will try to capture the honors from their mighty rivals, and are sure to make them hostile as they never hustled before to win the game.

The largest crowd of the season is expected to attend this contest, and those who intend witnessing it should arrive early so as to get a good seat.

The game starts at 8:15 p. m. sharp.

## FOOTBALL TOMORROW.

Tomorrow afternoon at 4:00 o'clock, on the north Alfred street grounds, the Cardinal A. C. football team will have as their guests the strong Seamen Gunners of Washington. This team is the strongest and heaviest the Cardinals expect to play this season and a good game is promised from start to finish. The Cardinals will be outweighted at least ten pounds to the man and will be compelled to rely upon their speed to offset their handicap in weight. Wednesday's game against the High School will prove a great help to the Cardinals as it gave them a chance to try out their numerous new plays and prevented them from becoming stiff. The Alexandrians will practice this evening when Captain Cockrell will run the team through signals and have a light scrimmage with the substitutes. The Seamen Gunners are not idle, as Manager Burwinkel has had his men hustling all the week and expects to make the Virginia boys extend themselves to the utmost.

## WEDDING.

Miss Eva Gwynn Dent and Mr. J. Randall Caton, Jr., were married at 8 o'clock yesterday evening at the home of Mrs. Eva G. Muehlbach, aunt of the bride, at 418 north Washington street. Rev. Father H. J. Cutler, pastor of St. Mary's Catholic Church, officiating. The wedding was attended by only a few near relatives and a few intimate friends of the bride and groom. The ceremony took place in the drawing rooms, which were decorated with the flowers, palms, and potted plants. The bride and groom were unattended. The bride was dressed in white crepe de chine, and carried a shower bouquet of white roses and lilies of the valley. A small reception followed the wedding, after which Mr. and Mrs. Caton left for a northern trip. The bride's going-away gown was of black broadcloth. Mr. and Mrs. Caton will reside at 420 north Washington street on their return.

## PROPOSED NEW TOWN.

The property at Fairfax Station, recently acquired by a syndicate, with the view of building a town there, was at one time owned by the wife of "Light Horse" Harry Lee, of Revolutionary fame, and was bequeathed by her to her three sons, Charles Carter, Sidney Smith and Gen. Robt. E. Lee. Charles Carter sold his interest in the land to his brother, Commodore Sidney Smith Lee (the father of Gen. Fitzhugh Lee), and he and Gen. Robt. E. Lee sold it to the late John R. Mitchell. (Fairfax Herald.)

Sweeney and Reeves race for championship.

## COMPROMISE REACHED.

Following a conference of Maryland and Virginia farmers at the office of Representative Carter, of Virginia, at the Capitol yesterday, a compromise was reached that is expected to settle the controversy between the milk producers and the District health officer over the tuberculosis test. While the agreement will not be made public until it has been approved by Commissioner Johnston, Mr. Carlin says that the dealers are greatly benefited. Milk producers from Maryland and Virginia attended the meeting. Mr. Carlin said that the legislatures of Maryland and Virginia would be asked to pass legislation to reimburse farmers for tuberculous cattle killed by the health officers.

## CONFEDERATE VETERANS' BUILDING.

The musical entertainment tonight promises to be a success from an artistic point of view, and it is hoped will be equally successful as a financial venture. Among those who expect to furnish enjoyment for the guests are Mrs. Russell, Mrs. Raymond Hill, Miss Katharine Waller, Miss Katharine Brill, Miss Alma Dessio, Miss Caroline Kast, Miss Rebecca Idings, Miss Margaret Finks, Mrs. Campbell and Mr. Arthur M. King.

## THE COOL WAVE.

The rain of yesterday afternoon and last night was followed by clearing and cold conditions before morning. The weather today has been clear and crisp with a brisk northwesterly wind. The mercury in the thermometer this morning was down to 50 degrees. Killing frosts were predicted by the weather bureau for this morning throughout the eastern part of the country, and almost as far south as the Gulf coast. The frost accompanies the cool wave which yesterday covered the west, with its center in the Rocky mountain region.

## SUIT FOR DAMAGES.

Minnie E. Shore, administratrix of the estate of John E. Shore, in the Supreme Court of the District of Columbia yesterday brought suit against the Washington, Alexandria and Mount Vernon Railway Company for \$10,000, alleging that on June 10, 1910, by reason of the negligence of a motorman in allowing his car to collide with a wagon, Shore was thrown to the street and received injuries which resulted in his death five days later.

## THE STOLEN TOOLS.

The police of this city have, so far, been unable to locate the tools stolen from a house on Shooter's Hill on Wednesday night nor to identify the thieves. The tools are valued at \$40. They were the property of seven carpenters employed by Mr. J. W. Devers, who is constructing a dwelling for Mr. H. E. Lion. The larceny of tools is an ordinary occurrence, and such acts are exasperating from the fact that the crimes are committed by men who will not work themselves, while they deprive others of the means of earning a living. Horsestealing is a felony and the theft of mechanics' tools should be made an equally serious offense.

## JUDGE THORNTON'S BIRTHDAY.

Last Wednesday Judge J. B. T. Thornton of the Circuit Court celebrated his 54th birthday. The members of the bar and county officials took advantage of the occasion by presenting to the judge a bouquet of flowers as a small token of their esteem and affection. Mr. C. O. Thomas presented the bouquet, and Judge Thornton, in accepting it, said that in the trying life of a judge it was especially gratifying to receive such a token of good will. (Alexandria County Monitor.)

## SALE OF FURNITURE AND BOOKS.

Capt. R. F. Knox today sold at public auction on the premises, No. 609 Oronoco street, a valuable library belonging to the late C. T. Crittenton, of New York, to J. P. Walsh for Mrs. Gladys Baldwin for \$800; also a large quantity of furniture to Albert Dreifus for \$652.50. A large number of ladies attended the sale, but at the last moment it was decided to sell it as a whole, both the library and the furniture.

## PROPERTY SALE.

Mr. John D. Normyley has sold for Mr. George Williams the brick dwelling on the west side of Patrick street, between Princess and Oronoco, to Mr. Lewis M. Smith, and a deed for the same was recorded in the clerk's office of the Corporation Court today.

## OFFICIAL VISITATION.

W. L. Allen, D. D. G. M., paid an official visit to Alexandria-Washington Lodge of Masons last night, and conferred the conferring of the Master Mason's degree. There was quite a large attendance and after the business had been conducted refreshments were served.

## KNOCKED OVERBOARD.

One of the crew of a sand scow which was proceeding down the river early this morning was knocked overboard by a shifting boom opposite the wharf of the Mutual Ice Company. He was rescued by men on the scow.

## AUCTION SALE TOMORROW.

Mr. Samuel H. Lunt, auctioneer, will offer for sale at the Royal street front of the City Hall at noon tomorrow the two-story brick dwelling No. 1011 Duke street.

## A CATCHY SHOW.

The managers of the New Opera House are sparing no pains in an effort to give the people of Alexandria the best show obtainable for the money. They are reaping the reward of a generous patronage, as the house is always crowded. The bill for the last two nights of this week is Miss Frankie Farrell, the charming actress, in popular songs, who has already won the admiration of all who attended last night's performance. Mr. C. A. Sponsler, in a difficult musical act, who is as competent in his line as any one in the city. Melvin & Bond, who appeal strongly to the baseball fans. Matinee tomorrow afternoon.

See the championship race tonight.

## PYTHIAN BAZAR.

A large crowd assembled at Odd Fellows' Hall last night despite the inclemency of the weather. As the time approaches for the counting of the votes of the candidates running for the various articles interest increases, and each one seems determined to be successful. No one will be allowed to enter the contest after tonight. The polls will close promptly at 10 o'clock tomorrow night, and each candidate will be allowed a representative at the counting of the votes. The gypsy fortune teller has left town, but the committee has been fortunate in securing a young and attractive lady, born and reared in Charlottesville, who is gifted in this line, and who has consented to occupy the tent for the remaining two nights of the bazar. Mr. and Mrs. John J. Haley will render several selections to the night on the mandolin and piano. The vote is as follows:

Ladies' gold ring—Mrs. Thos. J. Travers, 25; Miss Sadie Bastin, 5; Miss Helen Compere, 5.  
I. O. R. M. ring—Wm. May, 10; Francis Doyan, 5; F. A. Bynum, 10; Mrs. Travers—Mrs. Thos. Dawson, 5; Mrs. Josephine Jenkins, 5; Miss Flossie Yates, 5; Miss Lena Davis, 4.  
Mandolin—Jerome Kaufman, 5; Hugo Herfurth, 5; J. J. Haley, 12.  
I. O. O. F. pin—Geo. W. Bontz, Jr., 7; Vance Peele, 5.

Protecting Kaiser and Kaiserin. Brussels, Oct. 28.—It developed today that the unusual precautions taken by the authorities last night to guard the kaiser and kaiserin in their departure for Berlin were due to written threats received by the police that a bomb would be thrown at the royal party on its way to the station. The author of the letter is believed to be known to the police and an arrest is expected shortly. All windows along the route to the station were closed during the passage of the royal couple, and the station was packed with soldiers to the exclusion of nearly everyone else. A special detail accompanied the kaiser and his party clear to Berlin.

A Good Meal

It is a noticeable fact that beer is becoming more and more commonly used as a meal time beverage. It is the only food in the home. There are several good reasons for this: It "fits in" well with solid foods. It is a good appetizer. It helps digestion. Many drink it in place of coffee, because they find the latter injurious to them.
